

NO CALL NO SHOW APPOINTMENT POLICY

Our goal is to help as many patients as possible with their health goals so they may enjoy life to the fullest. With that in mind, we require that you call to let us know as soon as possible when you cannot make your appointment. That gives us the opportunity to see other patients who are on our waiting list.

If you miss an appointment without calling us to cancel or reschedule, a \$45 no-show fee will be charged to your account barring extreme circumstances.

Thank you for your understanding and compliance with this policy.
